### Personal Protection Equipment (PPE)

Zaymat is proud to support our customers with the much-needed PPE required to safely do business. Zaymat has sold over 5 million units (gowns, gloves, hand sanitizer, masks, etc) since the beginning of Covid-19. We offer product expertise, logistical excellence and flexible payment terms to meet your on-going needs. Our goal is to be your long term partner and help get the necessary PPE into your team's hands as quickly as possible. With that goal in mind, we will always work with you to ensure the best product and price for your needs.
